

CALL:

The Festival/Permanency Ticino in Danza 2023 is looking for a collaborator for its organization team

**The collective action and the landscape
as a woven fabric and
an opportunity for engagement, for relationship, for creation.**

TICINO IN DANZA 2023

**New forms:
a melting pot for artists and audience**

The Festival

Ticino in Danza is a Festival of contemporary dance in urban spaces that intends to develop in close relationship with the territory and its inhabitants. Its ninth edition will take place July 3rd - 9th 2023 in Mendrisio, a suburban context of Italian Switzerland.

In the three-year period 2022-2024 Ticino in Danza renews its format by experimenting new types of encounters between artists and with the audience in close collaboration with the artists.

Today Ticino in Danza seeks exchange, sharing, co-operation, sustainability; the focus is on the artistic process and the human involvement that can flourish through meeting one another.

Artists and collaborators - a system of concentric circles

In order to imagine a new organisational structure and to deconstruct the previous one, we started from the image of concentric circles. The system generates and communicates progressively outwards containing the different actors, in a systematic manner with specific roles but without a predefined hierarchy. The work environment aims to be collaborative, constructive and creative

Tasks

- Managing the organisational aspects of the festival (general organisation, logistics, relations with artists)
- Relationship with the festival's reference region
- Supporting the artistic direction in developing the strategic vision of the festival and the new format

Requirements

- Strong interest in contemporary performing arts
- Proactive and creative attitude to contribute to the development of the new format
- Presence in Mendrisio during certain work periods between January and July 2023 is required
- Managerial experience in the performing arts sector

To apply and for more info about the position please send a presentation email @ ticinoindanza@gmail.com with the **object: Job Opportunity – TiD'23**
